**1st FIG  
Young Surveyors European Meeting**  
European Young Surveyors together  
for tomorrow's challenges

17-18 October

Lisbon, Portugal

## **1st FIG Young Surveyors European Meeting**

17-18 October 2013

FIL Parque das Nações Convention Center

Lisbon, Portugal

### INTRODUCTORY

The aim of the 1st FIG Young Surveyors European Meeting is to establish a European network of young technicians and engineers of the area of geographic information technologies, age up to 35 years, to enhance international cooperation and promote contacts and knowledge.

The opportunity to meet in assembly young European professionals their problems, opportunities and challenges ahead, is a unique and enriching opportunity that magnifies cooperation in European society and promotes the development of innovative ideas.

The program of this event, organized by the International Federation of Surveyors (FIG) Young Surveyors Network in cooperation with the Portuguese Association of Engineers, seeks to stimulate discussion and creativity to solving the difficulties of the profession. Thus, the program will be split into four main parts: a) global change and its impacts, b) the technological means available in the future, c) successful examples that can be followed, and d) the presentation and discussion of innovative ideas.

This document contains 4 parts:

1. Sponsorship packages overview.
2. Packages description.
3. Other ways of sponsorships.
4. Short facts about FIG Young Surveyors Network and the Portuguese Association of Engineers.

We are pleased to discuss further sponsorship ideas to suit your needs. For more information or to pledge sponsorship please contact:

1- Logo placed in a prominent place

The platinum sponsor can have access to a larger area, to a mobile LCD stand or to a stand with an extra charge. Contact the local organisation at [figysn@ordemdosengenheiros.pt](mailto:figysn@ordemdosengenheiros.pt).

*Note: Sponsorship packages are offered on a first come first serve basis.*

## OTHER WAYS OF SPONSORSHIP

All the sponsors are invited to give more visibility by sponsorship:

- A. CONGRESS BAGS.** Upon registration, conference bags will be distributed to each attendee. Sponsor gain valuable recognition by having the organization logo printed on the congress bag (on which the logos of platinum sponsors will also be displayed) which provides direct and constant exposure throughout and after the Meeting.
- B. INTERNET SPONSOR.** Internet sponsor hosts Internet connection in the atrium area during the Meeting. Sponsor gain valuable recognition by having the organization logo on the document with internet instructions distributed to all participants and a poster on the atrium of the meeting with explicit reference to this sponsorship.
- C. CHAIR BACKERS.** Put the logo of your organization on the back of each chair of the meeting room. The participants won't miss your organization.
- D. CONTEST PRIZES.** The young organizers are planning a competition during the meeting. Propose a prize and be the one to offer it to the winner.

Contact the local organisation at [figysn@ordemdosengenheiros.pt](mailto:figysn@ordemdosengenheiros.pt) for more information about these or others suggestions of your own.

## SHORT OVERVIEW

### ASSOCIATIONS

**FIG:** The International Federation of Surveyors (FIG) is the premier international organization representing the interests of surveyors worldwide. It is a federation of the national member associations and covers the whole range of professional fields within the global surveying community. It provides an international forum for discussion and development aiming to promote professional practice and standards.

**FIG YSN:** The FIG Young Surveyors Network addresses the need for young surveyor representation within the FIG, and the need to ensure FIG activities are meeting the needs of not only students and young professionals, but also youth as a broad category within society.

**ORDEM DOS ENGENHEIROS:** The Ordem dos Engenheiros (OE) is the professional association of all Portuguese engineers. The members are those who have obtained an engineering degree in a university course. The OE is divided into colleges according to the engineers' specialisation. The Geographical Engineering College (member of FIG) gathers geographical, surveying and hydrographical engineers. The activities of OE include activity in preparation of legislation related to engineering, organisation of scientific and cultural activities, consultant activities related to professional and technical problems, etc.

### PARTICIPANTS

It is expected an attendance of no less than 150 young surveyors (age until 35 years), professionals that work in the broad area of surveying, cadastre, geographical information systems, land management, hydrography, monitoring.

### RECENT ACTIVITY

In 2012 FIG YSN organized the 1<sup>st</sup> FIG Young Surveyors Conference, just before FIG Working Week in Rome, with more than 120 young surveyors representing over 40 countries.

### WEBSITE OF THE MEETING

<http://figysn.ordemengenheiros.pt>

### SUPPORTS

The Meeting is supported by FIG, Council of European Geodetic Surveyors (CLGE) and FIG Foundation.
