Three Pillars

- Innovation of GEO curricula,
- recruitment of young people to GEO studies,
- promotion of cooperation between the GEO academic community and GEO business community.

Nationale
GI Minor

Zes Nederlandse universiteiten (Universiteit Utrecht, Rijksuniversiteit Groningen, Vrije Universiteit Amsterdam, Wageningen Universiteit, Universiteit Twente en TU Delft) hebben de aaneensluitende samenwerking voor de Nationale GI Minor. Deze nieuwe landelijke minor start in september 2012. Het programma heeft betrekking op wetenschappelijke en maatschappelijke aspecten van de aarde, met name gericht op de fysieke, chemische, biologische en sociale aspecten van de aarde. Het programma heeft betrekking op de aarde en de menselijke activiteiten op de aarde.
